The screenshot shows the JPALS website interface. At the top, it says "JPALS 日本薬剤師会 生涯学習支援システム". Below this, there's a user profile section on the left with a "レベル5" (Level 5) badge. The main content area is titled "日本薬剤師会からのお知らせ" (Notice from the Japanese Pharmaceutical Association) and lists several news items with dates and "NEW" tags. To the right, there's a section for "あなたのクリニカルラダー" (Your Clinical Ladder) showing CPD practice status for the Heisei 26th year. A table displays the number of planned activities (1), recorded activities (4), and the user's rank (22,955th out of 22,955). A large grey arrow points from the "ここをめくると!" (Turn here!) text to the "あなたのプロフェッショナルスタンダード" (Your Professional Standard) section, which contains a message about the user's current level (Level 5) and the requirements for the next level. A thought bubble at the bottom says "ご不明なことは、今すぐ道薬医薬情報センター又は支部担当者にお問い合わせください。" (If you have any questions, please contact the Doiyaku Iiyaku Information Center or the branch officer immediately.)
